

Call for Nominations 2010 OEF Commitment to Excellence Award

Purpose:

The purpose of the Okemos Education Foundation's Commitment to Excellence Award is to recognize the exceptional and notable service of educational professionals within the Okemos Public Schools. The OEF believes that Okemos is a district rich in excellence, innovation, creativity, and caring. It is not the intent of the OEF to determine which individuals are the best in a group of outstanding educators, but rather to provide an opportunity to celebrate the contributions educators make to the Okemos community.

Nature of Award:

Nominees and award recipients will be honored at the OEF Awards Banquet on **November 17, 2010** at the **Lansing Country Club**. An account for \$1,000.00 will be established for each award recipient to be used to support their continued contributions to education. Recipients who are no longer employed by the Okemos district in the fall of 2010 are eligible to receive recognition, but the monetary award will not be granted.

Nominations:

Any Okemos resident, parent, or school employee may nominate an educator or administrator employed by the Okemos Public Schools in the current academic year by following these steps:

1. Complete the nomination form and attach a statement of rationale for the nomination.
2. Include at least 2, and no more than 5, letters of support from other individuals.

The nomination statement and all letters of support should speak to the nominee's accomplishments with regard to one or more of the following criteria:

- *Inspiring and motivating students*
- *Promoting the welfare of students*
- *Implementing innovative and/or creative ideas*
- *Providing leadership within the school community*

Submission Deadline: 4:00 p.m. Friday, June 18, 2010
